October 14, 2005

Ms. Valerie Toney  
City of Los Angeles Fire Department  
Environmental Unit  
200 North Main Street, Room 1700  
Los Angeles, California 90012

Subject:      **THIRD QUARTER 2005 STATUS REPORT FOR  
EXXONMOBIL OIL CORPORATION FORMER SERVICE STATION #18-LLD  
4715 VAN NUYS BOULEVARD, VAN NUYS, CALIFORNIA  
(LAFD PERMIT #9691; FACILITY ID #29788)**

Dear Ms. Toney:

On behalf of ExxonMobil Oil Corporation (ExxonMobil), Holguin, Fahan & Associates, Inc. (HFA) is pleased to present the third quarter 2005 status report for the above-referenced site. The report presents a summary of the activities completed during the third quarter of 2005 and the activities planned for the fourth quarter of 2005.

During the third quarter of 2005, a groundwater monitoring and sampling event was performed on September 14, 2005.

During the fourth quarter of 2005, HFA will conduct a quarterly groundwater monitoring and sampling event.

HFA's site assessment report dated April 8, 2005, documented the results of the installation of groundwater monitoring wells MW-1 through MW-3. Due to the detection of dissolved-phase hydrocarbons, HFA respectfully requests that the City of Los Angeles Fire Department review the above-referenced site assessment report, and transfer jurisdiction of the case to the California Regional Water Quality Control Board, Los Angeles Region (4).
